## INDEPENDENT AUDITOR'S REPORT

To the Audit Committee and Board of Directors  
OneSky Foundation and Subsidiaries  
Berkeley, California

**Report on the Financial Statements**

We have audited the accompanying consolidated financial statements of OneSky Foundation and Subsidiaries, which comprise the consolidated statements of financial position as of December 31, 2019 and 2018, and the related consolidated statements of activities and changes in net assets, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

**NOTE 1 – ORGANIZATION AND OPERATION**

OneSky Foundation (the "Foundation" or "OneSky"), a non-profit public benefit corporation, was incorporated in November 1998 with its corporate office located in Berkeley, California. From inception and through April 2018, the legal name of the Foundation was "Half the Sky Foundation". Effective May 2018, the name of the legal entity was changed to OneSky Foundation and Subsidiaries.

The Foundation formed a Beijing Representative Office in June 2008. Effective January 1, 2008 the Foundation also qualifies in the Netherlands as a charitable fund ("ANBI").

OneSky Foundation (Asia) Limited ("Asia Ltd."), a supporting organization of the Foundation, was incorporated in Hong Kong in March 2006. OneSky Foundation UK Limited ("UK Ltd."), another supporting organization of the Foundation, was incorporated in England and Wales in April 2008. In connection with the legal name change for the consolidated entity, the legal names of these entities were formerly known as "Half the Sky" instead of "OneSky", until May 2018.

The consolidated financial statements of the Foundation include the accounts of all the supporting organizations above.

OneSky was created to help unlock the potential in the lives of vulnerable children. OneSky aims to ensure that young children at risk have a caring adult in their lives and a chance at a bright future by teaching communities and caregivers to provide nurturing responsive care and early education.

In support of its goal to enrich the lives of children, OneSky has developed the OneSky approach to quality early education and care, and serves the following communities in China, Vietnam, and Mongolia:

*For orphaned children* - OneSky-inspired orphanage program models are located in government-run welfare institutions throughout China and provide nurturing and educational opportunities for orphaned and abandoned children. OneSky-inspired Seed Centers provide short-term funding to independent organizations for up to three years, for the mentoring and training of individuals with limited resources. Such funding allows those organizations to establish programs of their own similar to those operated directly by OneSky. During the year ended December 31, 2019, OneSky supported various orphanage programs at a total of 57 sites, including 33 Seed Centers.

*For left-behind children* - OneSky-inspired program models in China's rural villages are designed to teach communities and caregivers how to mitigate the damage done to young children left behind by migrant parents who have moved away to find work in faraway cities. Services offered include Family Skills, which teaches parenting skills and responsive care training to primary caregivers, Early Learning, and Community Engagement, which includes trainer-facilitated village gatherings, monthly community projects, and cooperative childcare. During the year ended December 31, 2019, OneSky supported programs in 47 villages within one province.

*For migrant workers' children* - OneSky's work in Vietnam includes the development and operation of a model Early Learning Center (ELC) located in the Hoa Khanh Industrial Park in Da Nang . The model center, which offers the OneSky Approach to benefit children, ages 6 months to 6 years, of factory workers who cannot afford or do not have access to other adequately trained early learning or daycare services, opened in September 2017. Training in the OneSky Approach is further offered to Da Nang's home-based care providers and parents, so that quality care can be provided to young children at risk wherever they may spend their days.

(Continued)

**NOTE 1 – ORGANIZATION AND OPERATION** (continued)

*For children failing to thrive* - During the year ended December 31, 2019, a pilot program was launched in a state-run day nursery in Ulaanbaatar, Mongolia to introduce the OneSky Approach to benefit very young children of impoverished nomadic herders living in that city's ger districts. The nursery, which previously focused only on nutrition, had no programs to address children's social and emotional needs, or healthy development. Besides fitting out the rooms with age-appropriate developmental toys and furnishings, OneSky hired additional caregivers and trained them along with existing caregivers, in how to use the OneSky Approach to provide responsive and nurturing care and early education for vulnerable young children.

P. C. Lee OneSky Global Centre for Early Childhood Development: OneSky has spent considerable effort in 2019 preparing for the 2020 opening of the P. C. Lee OneSky Global Centre for Early Childhood Development in Sham Shui Po. Our new home in Hong Kong will feature a Family Centre serving as a community gathering place where children (0-6 years old) and their parents and caregivers play and learn together. The Family Centre will also offer facilitated play sessions and parenting skills workshops as well as consultation and referral services for families. The centre will also serve as a training hub for teaching professional and paraprofessional caregivers in Hong Kong and beyond the OneSky Approach to responsive caregiving and early education.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Principles of Consolidation: The accompanying consolidated financial statements include the accounts of the Foundation and its supporting organizations. Inter-organization transactions and balances have been eliminated upon consolidation.

Foreign Currency: Assets and liabilities denominated in foreign currencies are translated into United States of America dollars, the reporting currency, at exchange rates in effect on reporting dates, and revenue and expenses are translated at rates which approximate those in effect on transaction dates. A significant amount of the Foundation's expenses were paid for using the Chinese Renminbi for the years ended December 31, 2019 and 2018. Translation gains and losses were not material to the consolidated financial statements taken as a whole and are not reflected separately in the consolidated financial statements.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Basis of Presentation: The consolidated financial statements have been prepared on the accrual basis of accounting which recognizes revenue and support when earned and expenses when incurred.

The financial statement presentation follows the guidance of Financial Accounting Standards Board (the "FASB") *Accounting Standards Codification*<sup>TM</sup> ("ASC") 958 – 205, *Not-for-Profit Entities – Presentation of Financial Statements* ("ASC 958 – 205"). Under ASC 958 – 205, the Foundation is required to report information regarding its financial position and activities classified as with donor restrictions and without donor restrictions net assets with the change in each of these classes of net assets to be presented in the consolidated statements of activities and changes in net assets.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Net Asset Classification: The Foundation reports two primary classifications of net assets within the consolidated statements of net position:

*Net Assets - without donor restrictions* – Net assets without donor restrictions include those revenues and expenses associated with program and supporting services which do not have externally imposed restrictions on their use. However, the Foundation’s Board of Directors has designated certain net assets to be used for the purpose of a guardian program. Board-designated assets totaled \$9,928 as of December 31, 2019 and 2018.

*Net Assets - with donor restrictions* – Net assets with donor restrictions represent contributions that are limited in use by the Foundation in accordance with donor-imposed stipulations. These stipulations may expire with time or may be satisfied and removed by the actions of the Foundation according to the terms of the contribution. Upon satisfaction of such stipulations, net assets are released from with donor restrictions net assets and recognized as without donor restrictions net assets.

Cash and Cash Equivalents: Cash and cash equivalents consist primarily of highly liquid investments with an original maturity of three months or less. Cash and cash equivalents are carried at cost which approximates fair value.

Credit Risk: The Foundation maintains cash and cash equivalents with commercial banks and other major financial institutions. Cash equivalents include overnight investments and money market funds. Cash balances may exceed the Federal Deposit Insurance Corporation ("FDIC") limits from time to time. At December 31, 2019 and 2018 the Foundation had deposits with two financial institutions eligible for FDIC insurance coverage with carrying amounts and bank balances of \$2,590,630 and \$3,346,777 respectively. Of the total bank balances, \$276,992 and \$315,747 were insured at December 31, 2019 and 2018, respectively. Amounts received but not deposited and therefore not insured by the FDIC, totaled \$366,470 and \$215,414 at December 31, 2019 and 2018, respectively. The credit risk in pledges receivable is addressed as the Foundation evaluates the collectability of pledges based on knowledge and available information about the donors. Additionally, any pledges that are expected to be collected after one year have been discounted and are reflected in the consolidated financial statements at their net present value.

Pledges Receivable: The Foundation evaluates the collectability of its pledges receivable on an ongoing basis and records a reserve for potential uncollectible pledges receivable. No reserve for uncollectible amounts were considered necessary at December 31, 2019 and 2018.

Property and Equipment, Net: Acquisitions of property and equipment in excess of \$500 are capitalized. Purchased property and equipment are stated at cost. Significant donated property and equipment are recorded at their estimated fair value on the date of receipt. Depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from three to ten years.

Impairment of Long-Lived Assets and For Long-Lived Assets to be Disposed Of: Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to undiscounted future net cash flows, excluding interest, expected to be generated by the asset. If such assets are considered to be impaired, the impairment is recognized on an asset-by-asset basis. The impairment is measured as the amount by which the carrying amount of the asset exceeds the fair value of the asset (fair value determined by discounted cash flows, market comparison, or replacement cost). Assets to be disposed of are reported at the lower of the carrying amount or fair value less costs to sell. No assets have been determined to be impaired as of December 31, 2019 and 2018.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

Inventory: Inventory consists principally of merchandise sold in the Foundation's on-line store and is stated at the lower of weighted average cost or net realizable value.

Revenue Recognition: Contributions are recognized as revenue when they are received or unconditionally promised as prescribed by ASC 958-605, *Not-for-Profit Entities – Revenue Recognition* ("ASC 958-605"). The Foundation includes gifts of cash and other assets as net assets with donor restrictions, if they are received with donor stipulations which limit the use of the donated assets. When a donor stipulation expires, that is, when a stipulated time restriction ends or the purpose is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions, and reported as net assets released from restrictions. Conditional promises to give are not recorded as contributions until the conditions on which they depend have been met.

Contributions with donor restrictions whose restrictions are met in the same reporting period as the period in which contribution is recorded, are reported as contributions with donor restrictions. Net assets associated with these contributions are released from restriction as donor restrictions are met.

The Foundation recognizes revenues from on-line store sales upon the sale of merchandise.

Contributed Services and Materials: Contributed services and materials are recognized in accordance with the requirements of ASC 958-605. The Foundation received and recorded contributed pro-bono legal services for the years ended December 31, 2019 and 2018, with estimated fair values of \$340,854 and \$268,722, respectively.

Contributed goods are recorded at their estimated fair value at the date of receipt. Contributed goods totaled \$184,706 and \$128,128 for the years ended December 31, 2019 and 2018, respectively.

Income Tax Status: The Foundation has been recognized as an organization exempt from tax pursuant to Internal Revenue Code Section 501(c)(3) and classified by the Internal Revenue Service as other than a private foundation, and has been recognized by the California Franchise Tax Board as exempt from California franchise taxes under Revenue and Taxation Code Section 23701(d). Asia Ltd. has been granted tax exempt status by the Hong Kong Inland Revenue Department. UK Ltd. has been granted tax exempt status by UK HM Revenue & Customs. The Foundation is also qualified as a charitable fund ("ANBI") in the Netherlands for tax purposes.

Generally accepted accounting principles require that a tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded. The Foundation does not expect the total amount of unrecognized tax benefits to significantly change in the next 12 months. The Foundation recognizes interest and/or penalties related to income tax matters in income tax expense. The Foundation did not have any amounts accrued for interest and penalties at December 31, 2019 and 2018.

Functional Expense Allocations: The costs of providing the various program and supporting services have been summarized on a functional basis in the consolidated statements of functional expenses. Certain categories of expenses are attributable to both program and supporting functions. Accordingly, these expenses have been allocated among program services and supporting services based on a consistently applied and reasonable basis. Expenses which may include allocations include depreciation, which is allocated on a square-footage basis, and salaries and benefits, which are allocated on the basis of estimates of time and effort, as applicable.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Subsequent Events: The Foundation has evaluated subsequent events for recognition and disclosure through May 22, 2020, which is the date the consolidated financial statements were available to be issued.

In December 2019, a novel strain of coronavirus surfaced in Wuhan, China, and has spread around the world, with resulting business and social disruption. The coronavirus was declared a Public Health Emergency of International Concern by the World Health Organization on January 30, 2020. The operations and business results of the Foundation could be materially adversely affected. The extent to which the coronavirus may impact business activity or investment results will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the coronavirus and the actions required to contain the coronavirus or treat its impact, among others.

New Accounting Pronouncements: In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers (Topic 606)*. This ASU supersedes the revenue recognition requirements in Topic 605, Revenue Recognition, and most industry-specific guidance. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The Foundation implemented this guidance for the year ended December 31, 2019 using a modified retrospective method of application to contracts. However, there was no material impact from the recognition or presentation of revenue as a result of the application of ASU 2014-19. As a result, no cumulative effect adjustment was recorded upon adoption.

In June 2018, the FASB issued (ASU) 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The amendments in this Update provide a more robust framework to determine when a transaction should be accounted for as a contribution under Subtopic 958-605 or as an exchange transaction accounted for under other guidance (for example, Topic 606). The amendments also provide additional guidance about how to determine whether a contribution is conditional. The Foundation applied the amendments in this ASU for the year ended December 31, 2019 using a full retrospective method of application. There were no material changes to the recognition or presentation of revenue as a result of the application of ASU 2018-08. As a result, no cumulative effect adjustment was recorded upon adoption.

**NOTE 3 – PLEDGES RECEIVABLE, NET**

Pledges receivables of \$485,735 and \$415,536 at December 31, 2019 and 2018, respectively, were expected to be collected within one year. There were no long-term pledge receivables at December 31, 2019 and 2018.

The Foundation has received notification of various conditional pledges. These pledges for which the conditions have not yet been met are not included as revenues and are not included in total revenue on the accompanying consolidated statements of activities and changes in net assets for the years ended December 31, 2019 and 2018. There were conditional promises to give of \$2,697,756 and \$3,587,443 as of the years ended December 31, 2019 and 2018, respectively.
