

Dear Parents,

We will be delighted to send you any progress reports (the Chinese original that includes a photo) we have on file **after** you bring your child home. Please understand, however, that we cannot send progress reports before the adoption is finalized and that progress reports are not medical reports; we have no access to orphanage files. Because our staff is small by design and must prioritize running our various programs in China, Hong Kong SAR, China, Vietnam and Mongolia, we also ask that you be patient as we process your request.

OneSky for all children does not charge anything to send you the reports. However, each donation received makes our work possible and brings loving responsive care to abandoned, left-behind and neglected children. We suggest a donation of \$500, but are grateful for any amount. Thank you for your generosity!

If your child was at one of the institutions listed below, or the Chunhui China Care Home (CCCH) in Beijing, during the dates noted, ***please complete the form on page 2*** and submit it to us; our Beijing office will check to see if your child was enrolled in our program. If she/he was enrolled, we will send you any progress reports we have on file.
