

Dear Parents,

Thank you for inquiring about OneSky Progress Reports we may have on file from your child's time in our programs. We are delighted to send any progress reports (the Chinese original that may include photo/s) **after your child's adoption is finalized** and you've brought your child home.

The progress reports vary in length and detail, but may provide an informative glimpse into your child's life when they were cared for by loving OneSky caregivers. We do not charge for the reports, but suggest a donation of \$1,000 to cover costs associated with obtaining and sending them. Every donation received makes our work possible and brings loving responsive care to more orphaned and vulnerable children. Thank you for "paying it forward" to the children who continue to benefit from our work.

If you believe your child was at one of the institutions listed below, or the Chunhui China Care Home (CCCH) in Beijing, during the dates noted, please complete the form on page 2; our Beijing office will check to see if your child was enrolled in our program. If we confirm that she/he was enrolled, we will send you any progress reports we have on file. Because our staff is small by design and must prioritize running our various programs in Asia, we also ask that you be patient as we process your request. Please remember that these are not medical records, and we do not have access to official orphanage records. If you have any questions, please feel free to contact us at [donate@onesky.org](mailto:donate@onesky.org).
